Transportation Sunday is Next Sunday, May 3rd. We hope to see members and friends present for worship who depend on others for transportation. Transportation providers are reminded to contact your designated passenger and confirm the pick-up time. We continually seek to expand this service and appreciate all those willing to join the Transportation Team by picking up someone no longer able to drive. *Remember- Please make sure your auto insurance is current if driving on the church's behalf. Thank you.*

Ken Bailey Video Class—May 6 and 11

Dr. Bailey discusses the third essay, found chapters 8 through 10, of Paul's first letter to the Corinthians. The subject of this essay is "Christians in a Non-Christian World." The problem in Corinth and elsewhere was that new Christians were scared that they might offend the other gods that were being worshipped around them. Also, because food laws were a big deal to Jews, they didn't know how to treat the food that had been offered to those gods. Paul says that our strength as Christians does not depend on what we eat. However, if doing so causes our brother to stumble, we should avoid that food altogether. We are to live our lifestyle and witness to the world around us while not offending other people's faith. This is what Jesus did with those he encountered. Identical one-hour sessions will be held on Wednesday the 6th at 7:00 p.m. and Monday the 11th at 2:00 p.m. in Founders' Hall. Each session begins with a 30-minute DVD presentation followed by a discussion of Dr. Bailey's insights.

Volunteers are needed for the 8th Annual Graffiti Clean Up hosted by the Pacific Beach Town Council. This year's event will be held on Saturday, May 2nd, 9am to 12 noon at the Pacific Beach Presbyterian Church (1675 Garnet Ave.). Pacific Beach Presbyterian Church started hosting this annual Graffiti Cleanup day event in 2007, led by Elder Larry Jeffrey. Larry passed away suddenly of a heart attack in 2011, however we have continued to host this annual community event in Larry's honor. Volunteers are needed to assist in passing out supplies the morning of the event – see Steve Ritz if you can help out. Volunteers also needed for actual graffiti clean up and will receive training and supplies and then be assigned an area in Pacific Beach where they will clean up graffiti. Every year, volunteers at this event remove hundreds of graffiti tags and really make a positive difference in our community. Students can earn community service hours (under 18 must have waiver signed by parent.) For more information or to print a waiver, visit www.pbtowncouncil.org or call (858)483-6666.
