WANTED: SOUND TEAM TECHNICIANS

We are looking for a few new technicians to help with the sound booth tasks on Sunday mornings. No prior experience is required; we will provide all necessary training. This is a rewarding position because you enhance the congregation's worship experience by adjusting the sound level of the pastor and other speakers, and the music, during the service. If you have an interest in

learning the basics of an audio mixer, you can do this! Please contact Barry Dickens at 858-254-4607 to get more information or to volunteer to be trained.

Pledge Envelope Boxes:

There are still some of you who have not stopped by the office to pick up your box of pledge envelopes! Please make sure to stop by and see if yours is still there! By picking up your box in the office, you are saving the church postage fees (which are around \$3 per box!). Thank you!

Are you connected to us online? Like us on Facebook to see up-to-date information on weekly events and other notices! Look for a link to our Facebook page on our website!

Larry Cox let the office know that he has a Talking Bible, an audio set of 62 CD's in a case, that he would like to gift to an interested individual. He says it is a fun set with male and female narrators speaking with emotional inflections and it has a musical (studio) background. Anyone interested please call Meri or Lisa in the office. There is only one set which should be kept intact – so, first come, first served!

It is our tradition here at PB Presbyterian to celebrate communion on the first Sunday of every month. We now offer gluten-free bread in addition to traditional bread.
